**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a wonderful, local provider of high speed internet. They are priced to compete with the large behemoths, like Comcast and X-Finity. But in contrast with those large corporations, they have excellent customer service and a strong privacy policy. I am a consumer, citizen, and voter who supports broadband competition.

In the San Francisco Bay Area, we are fortunate to have OPTIONS and should continue to have options for our internet service.
